

Recommendation Letter for Employment

Date : 01-Sep-2024

To Whom This May Concern,

My name is Sanyam Gupta, Vice President- Senior Project Manager at CITIGROUP and I am pleased to offer my recommendation of Sowmya Nuchu for employment in your company.

Sowmya reported to me while she worked for Citi. During this time, working together over 4 years, I have experienced a highly motivated, hardworking individual who owns the tasks and shows great dedication towards her professional duties. She is extremely organized, reliable and resourceful.

Sowmya has established a strong relationship with business users and consistently goes above and beyond to meet business needs. She loved challenges and was always willing to push her limits. She is a professional who takes pride in a job well done and she was a great asset to the team.

In a nutshell, I greatly admire her talent and dedication to her job. Sowmya moved to the US for further studies, and we will no longer be fortunate enough to have her with us and I strongly recommend her to you as a prospective employer. Please do not hesitate to contact me if you require any additional information.

Sincerely,
Sanyam Gupta
